

# Steel Wall Swimming Pools

**RIGID. STRONG. RELIABLE.**

All components of a MEGNA POOLS steel wall pool kit are made from the highest grade of galvanized steel available. We proudly use only North American steel in all our products! Panels are fabricated using the latest *clinch-lock technology* for superior rust resistance and durability, **NO WELDS!**

MEGNA offers numerous industry leading 12-gauge bracing systems to meet every need.

**No Welding  
Means No Rust!**
